How does it work?

Step 1:

Recipient of the gas certificate mails it into the fulfillment center or registers online along with a \$5.00 refundable registration assistance fee. (The \$5 registration assistance fee will be fully refunded in the final month of redemption, with a \$30 gas card instead of a \$25 gas card.)

Step 2:

Once registered a gasoline brand selection form along with a brief survey of gasoline buying habits is sent out via US mail. Within 6 weeks of receiving this information monthly redemption vouchers will be mailed. (Or you may go online and print them immediately after payment)

Step 3:

To redeem vouchers, a minimum monthly purchase of \$100.00 in gasoline (at the gas station brand pre selected) must be made. Each month, original receipts must be mail to the fulfillment center. Upon receiving of monthly redemption voucher and valid gas receipts, a \$25 gas gift card, which can be used at any gas station location of the same brand pre selected will be mailed. Mailing of monthly redemption tickets and receipts continues until the value on your certificate has been reached.
